Private Label Rights Terms and Conditions

Note: the license you are reading now must be passed on, without alteration, to your customers if you are reselling the Private Label Rights to this product. You may ignore this instruction if you are only selling the product without its Private Label Rights. With the **Private Label Rights** (and **Master Rights**) to this product, you can do any or all of the following:

1. **Put your name as the author** on the product.
2. **Re-title and/or edit the contents** (of the manual). You can add, remove or edit the contents of the product and insert your own links and affiliate links for back-end income.
3. **Change the E-Cover.** The source file to 3D and flat E-Cover can be edited in Adobe Photoshop – you can change the color, add in your name, re-title the product, or anyhow you like.
4. **Change and/or edit its pre-written sales letter.** You can put your name on the sales letter, rewrite it, collect and compile your own testimonials and endorsements into the sales letter, or anyhow you like.
5. **Sell the product.** Sell it to your customers for their personal use at the suggested price of **\$47.00**.
6. **You can convey Basic/Master Resell Rights** to the package and sell at a higher suggested price of **\$97.00**.
7. **You can resell the Private Label Rights to the source code.** The suggested selling price is **\$197.00**. Your customer can in turn resell the Private Label Rights, too. However, you must pass on this license to them so they can be informed and abide by the same terms and conditions if you are passing on the Private Label Rights.

The **restrictions** are:

1. You **CANNOT** give away the Private Label Rights to the product for free under any circumstances whatsoever.
2. You **CANNOT** under any circumstances give the product away for free or as a bonus to another product you are selling, with or without Private Label Rights. It must be sold. However, you can bundle the product into a paid package or add into a paid membership site.
3. You **CANNOT** use unethical marketing methods or SPAM to conduct your business with this product.

4. You **CANNOT** sell this product, in whatever format, full or partial, on auction sites such as eBay.com.
5. You **CANNOT** add, use or impersonate my name (Edmund Loh), business name (PrivateLabelRightsGold.com) or any other of my business or personal information to the product. This product is for your own use, not mine.
6. You **CANNOT** claim copyright to the product unless substantial changes are made to the product.
7. All web site links (URLs) **MUST** point to business related web sites. In other words, **no** porno, gambling or other unrelated business web sites.
8. You are **responsible** for customer service.
9. Any violation of this agreement will be subject to a revoking of this license in which case all monies paid will be *forfeited*.
10. This constitutes the entire license agreement.
